- Dispatched up to four weeks before arrival. For short-term bookings, delivery to the start hotel, hotel list and arrival information will be sent by email

## Stages description

### Day 1: Individual arrival in Stralsund

The starting point of your cycle tour is the old Hanseatic town Stralsund, whose old town was declared a UNESCO World Heritage site because it has been so beautifully preserved. Its former importance as a trading town can still be seen today. Let your evening come to a pleasant end in the old town and wander across the harbour island, where the old sailing-school ship, the Gorch Fock can be visited.

### Day 2: Stralsund – Göhren, approx. 45 km + train ride

The island of Rügen, the largest in Germany, is quickly reached by train from Stralsund. On the outskirts of the city, on the 91-meter high Rugard the Ernst-Moritz-Arndt-Tower, from which you have a beautiful view of the entire island of Rügen. Look forward to Rügen's largest seaside resort in Binz and to Rügen's longest pier in Sellin, which extends almost 400 metres into the sea. Today's destination, Göhren, awaits with long beaches of the finest sand imaginable.

### Day 3: Day on the beach or hiking on the Mönchgut peninsula

Mönchgut peninsula is surrounded by the Baltic Sea on three sides and is one of Rügen's wonderful secrets. The diverse countryside has a lot to offer. You can decide spontaneously what you feel like doing: a relaxed day swimming at the beach or a short walk through the dunes, over the heaths into the woods. No matter how you decide, you're sure to like it!

### Day 4: Göhren – Greifswald, approx. 50 km + train ride and ferry trip

Today, you continue in a relaxed manner: in Göhren you take the steam train, Racing Roland, to Putbus. Here you get on your bike and follow pleasantly level ground to Glewitz, where you take a small car ferry (not included in price) back to the mainland. You cycle the last few kilometres to the old Hanseatic town of Greifswald.

### Day 5: Greifswald – Wolgast, approx. 50 km

Today you continue cycling along the Baltic coast. Your first stop could be in Lubmin - as there's a great beach and you can wile away some time underneath the large shady trees. It's not far to today's destination - the gate to the island of Usedom. Let your evening come to a pleasant end in the historic old quarter of Wolgast, part of which is on an island.

### Day 6: Wolgast – Heringsdorf / Mellenthin, approx. 40 / 50 km

Via Peene bridge you reach the sunny island of Usedom and cycle along Krummin Wiek to Krummin and from there to the Baltic resort of Zinnowitz. From here, you follow the wooded coastline with lots of opportunities to stop and rest on a sandy beach or go for a dip in the sea. You have reached your destination when you get to the magnificent Imperial seaside resorts. Alternatively you can stay overnight in Mellenthin.

### Day 7: Mellenthin – Ueckermünde, approx. 50 / 60 km + boat trip

The Baltic Sea Cycle Route takes you to the Szczecin Lagoon today. First you cycle to Stadt Usedom, the old center of Usedom. Visit the Anklamer Tor with its Heimatstube and the impressive Marienkirche before boarding the ferry to Kamp in Karnin. During the short crossing, the Karnin lift bridge will catch your eye. It is a remnant of a former railroad bridge. Not far from the shore of the Szczecin Lagoon, you will head to your destination for the day, Ueckermünde. The town offers a beautiful old town and a spacious sandy beach.

### Day 8: Individual departure

After breakfast you start your individual return journey home or extend your stay.
